Here are a few minor edits on page 1 and 3. Mark just wanted the same “potable wells” phrase in the beginning text to be as simple as possible. So thanks for considering. Further, he is good with you starting public comment period. Again, thanks for your help.

Hi Fred,

Hope all is well. Attached is the lastest draft which includes your comments. Please let us know if you have any additional questions.

Also, were planning to have the public meeting within the next few weeks so we will need to wrap up any remaining comments or concerns by next week so we can schedule a date.
